***...PACKED INTO ONE DAY!***

For past campers, Spring Blast is an energy-packed reminder of what is coming up in Summer 2026. For new campers, it gives you a great idea of all the fun that is waiting for you if you decide to become a summer camper!

This day includes SO many fun activities – our great program team will lead campers through indoor and outdoor games, high-energy worship, quiet time with God, hilarious skits, and so much more!

Come as an individual & meet new friends, or rally some of your friends to come with you...and still meet some new friends!
