A Blessed Day to Welcome You to the Annual Riverside Quilt Auction!

The time has come once more for us to admire the handiwork of so many talented quilt groups and crafty individuals. Whether this is your twentieth auction or your very first, there is just something magnificent about seeing these beautiful works hanging up in the Riverside Chapel. We are delighted that you made it a priority to come and see them on display, with your own eyes. It is an honor for us to showcase the artists and the many quilts and other sewn pieces that have been generously contributed to this year's event.

Each year, we are truly grateful for the overwhelming number of items received from both long-time contributors and new supporters. It's fascinating to consider the time spent cutting, assembling, and stitching, as well as the total cost of all the fabrics and threads used. We can also imagine the miles traveled by those delivering items to camp. We envision the many conversations and discussions that occurred as groups gathered to work on a piece together, along with the prayers and thoughts that accompanied individuals stitching alone in their sewing rooms at home.

We consider every one of these items a blessing. Sometimes we may end up scratching our heads at how an elaborately quilted, large quilt may end up being won with a bid that was less than a smaller, tied quilt. But what we DO know is that every quilt was gifted to camp with the awareness that campers who otherwise may not be able to camp will get to come to camp because someone is going to bid on and win that quilt. AND, we know that the winning bidder will be overjoyed to receive such an item, whether for themselves or for a gift that may eventually be given to someone special to them.

Whether you are a quilter, a buyer, or someone who simply loves Riverside, we appreciate the opportunity to come together and celebrate our camp's mission today: "To know Jesus Christ and to make Christ known to all." The proceeds from today's event will contribute to Riverside's general fund, which provides "campships" for children. We believe that every child who wants to attend camp should have the opportunity, regardless of their family's financial situation. Your generosity today helps ensure that another child can have an amazing experience at Riverside, receiving care and encouragement from our dedicated summer team, and, most importantly, hearing and experiencing the Gospel of Jesus Christ.

We are so thankful that you are able to be a part of this blessed day!

In Christ,

The Riverside Team

**Any payment for quilts that exceed their 'normal' value may be considered a tax-deductible donation to camp. Donation receipts for the purchase of quilts will be mailed to the buyers. Gift in-kind receipts will be mailed to the quilter/organization specified on the Quilt Donation Form.
